

## Construction Update: May 13, 2023

The contractor has removed all construction barricades! Next week, the remaining traffic signs will be placed at the roundabout and construction will wrap up.

We appreciate your patience as we approach the end of construction!

Did you know?

Roundabouts are safer than normal intersections as they reduce conflict points between vehicles. As you approach the roundabout look left, yield to approaching vehicles and pedestrians and then proceed!

# Roundabout Safety

- ▶ LOOK LEFT
- ▶ YIELD TO VEHICLES & PEDESTRIANS
- ▶ DO NOT STOP IN THE ROUNDABOUT

## Project Overview

An extension of the Old Town Algonquin project, Around and About Main Street will improve traffic flow and safety for road users of N. Main Street.
