

## Construction Update: November 5, 2022

Last week, the contractor placed the concrete curb and gutter at the roundabout. The contractor also graded the stone base in preparation for the asphalt pavement.

Next week, the contractor will place the asphalt base for the roadway!

Additional work planned for the week includes:

- Pouring the colored and stamped roundabout apron (the apron is the interior roadway approach that connects the road to the roundabout lane).
- Beginning the roadway lighting and ornamental railing installation on some of the retaining walls.

Did you know?

Roundabouts are safer than normal intersections as they reduce conflict points between vehicles. As you approach the roundabout look left, yield to approaching vehicles and pedestrians and then proceed!

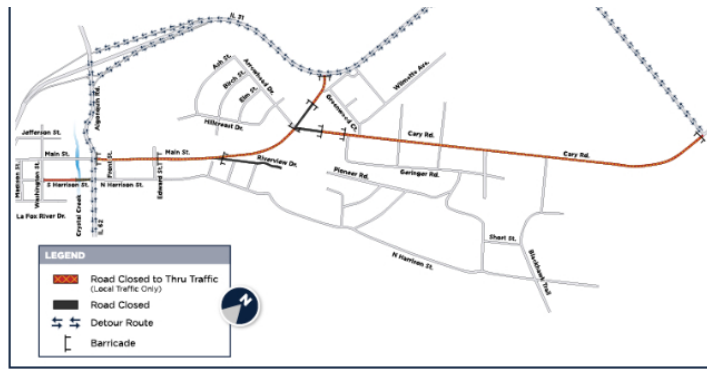

**AROUND AND ABOUT MAIN STREET**

Detour Information

## Local Businesses Remain Open on Main Street!

**Local businesses on Main Street will remain open** as work continues. Local traffic can access businesses from IL 62, as well as Front and Edward streets while the Main Street closure is in place. Again, Main Street is closed to ALL TRAFFIC from north of Edward Street to Arrowhead Drive.

[Click here to view a map of the full closure and detour route.](#)

### Project Overview

An extension of the Old Town Algonquin project, Around and About Main Street will improve traffic flow and safety for road users of N. Main Street.
