

## Construction Update: October 29, 2022

Last week, the contractor completed the final retaining wall at N. Main Street and Arrowhead Drive!

Additionally, the contractor placed the forms to create the curb and gutter in the roundabout project area and placed the stone base for the roadway.

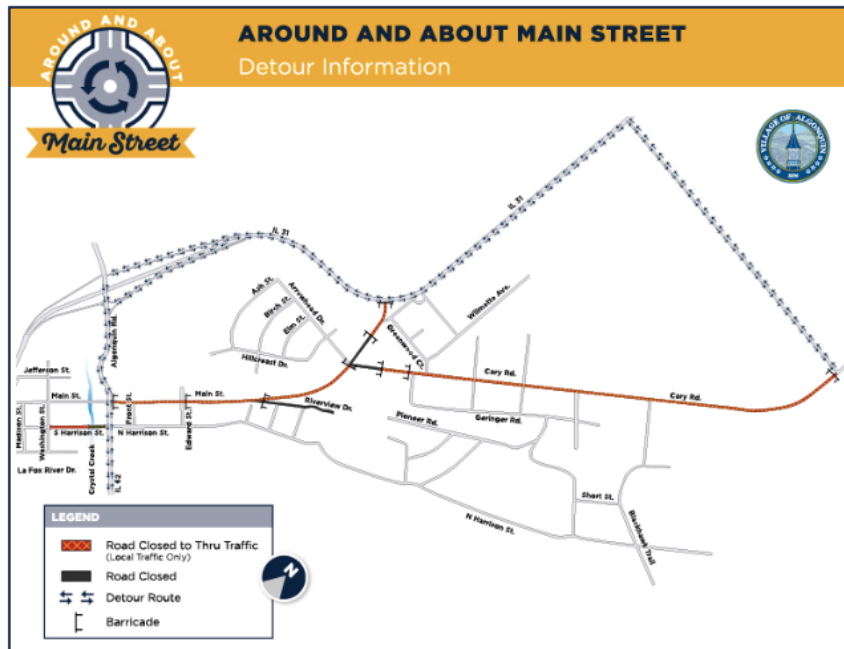

Next week, the contractor will pour the concrete for the curb and gutter. In the coming weeks the contractor will place the binder layer which will be followed by the placement of the final roadway surface.

Did you know?

Roundabouts are safer than normal intersections as they reduce conflict points between vehicles. As you approach the roundabout look left, yield to approaching vehicles and pedestrians and then proceed!

## Local Businesses Remain Open on Main Street!

Local businesses on Main Street will remain open as work continues. Local traffic can access businesses from IL 62, as well as Front and Edwards Streets while the Main Street closure is in place. Again, Main Street is closed to ALL TRAFFIC from north of Edward Street to Arrowhead Drive.

[Click here to view a map of the full closure and detour route.](#)

### Project Overview

An extension of the Old Town Algonquin project, Around and About Main Street will improve traffic flow and safety for road users of N. Main Street.
