

Construction Update - April 30, 2022

For the past two weeks, the contractor has worked to install the new block wall that wraps around the Historic Village Hall parking lot. ComEd has also installed new utility poles at 111 S. Jefferson Street.

Over the next few weeks, ComEd crews will install all new cable and make connections into the transformers located in the 111 S. Jefferson Street and 100 S. Main Street parking lots.
