

Construction Update: May 6, 2023

Last week, the contractor completed the landscaping around the roundabout! The construction area has now been transformed into a green, fresh space.

Next week, the contractor will place the remaining traffic signs and remove barricades in the construction area. We appreciate your patience as we wrap up the remaining items to complete this project!

Did you know?

Roundabouts are safer than normal intersections as they reduce conflict points between vehicles. As you approach the roundabout look left, yield to approaching vehicles and pedestrians and then proceed!

RoundAbout Safety

- ▶ LOOK LEFT
- ▶ YIELD TO VEHICLES & PEDESTRIANS
- ▶ DO NOT STOP IN THE ROUNDABOUT

The graphic features a dark blue background with the title 'RoundAbout Safety' in a white, cursive font. Below the title are three bullet points, each with a colored arrow pointing right: a red arrow for 'LOOK LEFT', a yellow arrow for 'YIELD TO VEHICLES & PEDESTRIANS', and a light blue arrow for 'DO NOT STOP IN THE ROUNDABOUT'. To the right of the text is a circular inset showing an aerial view of a roundabout with the Village of Algonquin seal in the center. The seal is blue and white, featuring a lighthouse and the text 'VILLAGE OF ALGONQUIN' and '1890'. The roundabout is surrounded by greenery and several cars are visible on the roads.

Project Overview

An extension of the Old Town Algonquin project, Around and About Main Street will improve traffic flow and safety for road users of N. Main Street.
